## L.E.G.O. VIRTUAL CUSTOM BUILDERS CLUB Custom Lego Mini-Neighborhood Set

This 6-session virtual class is designed for students ages 6-12 who have some experience building with Lego. Creative techniques and original use of pieces are introduced.

**Six 1 hour and 15-minute classes are scheduled based upon builder group availability.**

- The **516 Piece Custom Lego Mini-Neighborhood Set** includes a house, a garage, a car, 3 minifigures and multiple accessories to decorate your set!
- **Creative Opportunities** to customize and enhance sections of the set as it is being built are presented!
- Builders can continue to **Add Additional Sections** of the **Mini-Neighborhood** to their sets after they have finished building the initial set. These additions (separate purchase) include more custom houses, garages, cars, streets, minifigures and more!
- Pieces used in structural sections are demonstrated utilizing the **Engineering Design Process** framework.
- Builders have the choice to construct their sets with the teacher, using the instructions or both.
- **Makeup Opportunities Are Available** if a builder needs additional time or is unable to attend a class.
- **Essential Learning Skills** are taught within the context of instruction, including executive functioning, character education and conflict resolution skills.

The Custom Lego Mini-Neighborhood Set can be picked up at the **L.E.G.O.** studio (Raleigh, NC) or delivered (delivery free of charge if within 25 miles of Raleigh).

Builders customize both  
the inside and the  
outside of their houses  
and garages!
